Subject: **Business Resumption Test Acknowledgement and Test Review**

We appreciate your participation in the May 20th Fedwire® business resumption test. Your involvement demonstrates your preparedness to handle catastrophic computer problems or other unforeseen events that would result in contingency processing.

If you have not already done so, please complete our short test review form to share your feedback about the contingency testing process. The form is available on our national Web site at www.frbfinancialservices.org. Within the Financial Services section on the main page, select “Wires” and then click on “Testing Opportunities.” Next, scroll down to the “Contingency Post Test Survey” section and click on the link to the form.

Again, we appreciate your cooperation with contingency planning efforts. If you have any questions or concerns, please contact Paul Rybak at 800-327-0147 opt #3.

Sincerely,
